Let's Colouring

About us:

Silon is a new leading enterprise among the world in the thin tile industry. Ensure the long term competitiveness and sustainability of the company through scientific research, innovation, and design and information technology.

Silon gets together international thin tile experts and top oriental architects, using the latest and innovative special technology to produce 4.8mm thin tile with european standard in any sizes; which has become a shining new star in present eco-protective time. Silon has launched many series products with the idea of thin, light, strong and big; successfully build up the company image of green skin for architecture and leading the traditional tile industry to upgrade and transform.

Silon thin tile is fire-proof, Moisture-proof, Mould-proof, Long lasting, Low cost, Low labor cost, resources saving and environment improving. It can be widely used indoor or outdoor wall, bus station, airport, metro station and all sorts of places, it has been gaining great reputation among the world through thousands of projects. The application of silon thin tile is going to be the revolutionary replacement of traditional tiles and materials, thin tiles with bigger size but lighter weight are going to be the trend of the market.

CON- TEMPO- RARY

The texture of "Colovers" is enhanced by the innovative surfaces of the large size wall tiles. The 5mm thick 600X1200 wall tiles offer a new styling expression for settings with a strong personality.

COLORS & DECORATIONS

CREATE YOUR MATCH

A pleasant experience, pleasant to the touch.
The matt look of the material makes the tile
similar to a fabric, bringing a beautiful allure
to the wall.

Let's Colouring

The colours of the stone veins blend perfectly with the movement and palette of the Breeze Gold decor, welco - ming and enhancing it

The natural essence of stone is amplified by botanical decors shaped by light, as if bathed in dew.

The luxury of creating natural, multi-sensory and contempo- rary interior landscapes that have never been seen before
